## A Roadmap for Returning to Mass

As a parish it is essential that we establish a Covid-19 Support Team of Parishioners to organise preparations for the re-opening of our churches for public worship. **I am asking for volunteers who will help with the implementation of this important move.**

As a parish we have to develop procedures to ensure we are ready for re-opening and these procedures must be communicated to the

Bishop **before re-opening is considered.**

**A meeting of those interested in being part of the Covid-19 Support Team in Our Parish will be held in the Parish Church, Borris, Tuesday next at 8pm.**

**Entry through left hand side door.  
Social Distancing will be observed.**

## A Prayer for Workers During this time of the Coronavirus COVID-19

Loving God,  
we place into your care  
all our doctors,  
nurses and healthcare workers.  
And all who work in frontline services

Give them courage of heart  
and strength of mind and body.  
Keep them safe from harm.  
May they know our deep gratitude  
for all they are doing  
to heal and help at this time.

God of all consolation  
may they know your protection and peace.  
Bless them in these challenging days  
and bless their families. **Amen.**
