## A Prayer for Workers

During this time of the  
Coronavirus COVID-19

Loving God,  
we place into your care  
all our doctors,  
nurses and healthcare workers.  
And all who work in frontline services

Give them courage of heart  
and strength of mind and body.  
Keep them safe from harm.  
May they know our deep gratitude  
for all they are doing  
to heal and help at this time.

God of all consolation  
may they know your protection and peace.  
Bless them in these challenging days  
and bless their families. **Amen.**

## Safeguarding

If you are concerned about the welfare &  
safety of children or  
vulnerable adults contact the

## Easter Collection 2021

We continue to live in times that are very challenging for all of us;  
spiritually, emotionally and financially.

For the majority of the past year we have had no public mass, and the  
parish has not received income from the normal church collections.

But you have been so generous in giving to the parish financially by dona-  
tions directly to the bank, by dropping in donations for the day to day  
running of the parish, the support of the priest and the maintenance fund.

I am aware times are harder for people the longer lockdown continues but  
I ask that you be as generous as you can in the support of the parish  
and me your priest.

Easter Sunday is one of the yearly collections for the support of the priests.  
I am so grateful for any donation you can make to that.

Again I thank you for your continued support and prayers.
