

## New Boiler Borris Church

Earlier this year the boiler in the Church in Borris broke down and is now in need of replacement. The cost of this replacement is **€20,400**.

**I appeal to your generosity to give whatever you can to help cover the cost of the work.** Donations can be made through the Maintenance Envelope marking it **Boiler Appeal**, in an ordinary envelope marked **Boiler Appeal** dropped into the Parish Office or Parochial House, or directly into the Parish Bank Account - details of which are below and also on the parish website.

This is essential work and I thank you in advance for your kindness.
