A Prayer for Workers

*During this time of the
Coronavirus COVID-19*

Loving God,
we place into your care
all our doctors,
nurses and healthcare workers.
And all who work in frontline services

Give them courage of heart
and strength of mind and body.
Keep them safe from harm.
May they know our deep gratitude
for all they are doing
to heal and help at this time.

God of all consolation
may they know your protection and peace.
Bless them in these challenging days
and bless their families. **Amen.**

SERENITY

Serenity Prayer

*God grant me the serenity
to accept the things I cannot change;
courage to change the things I can;
and wisdom to know the difference.*

*Living one day at a time;
enjoying one moment at a time;
accepting hardships as
the pathway to peace;
taking, as He did, this sinful world
as it is, not as I would have it;
trusting that He will
make all things right
if I surrender to His Will;
that I may be reasonably
happy in this life
and supremely happy with Him
forever in the next.
Amen.*

Pentecost Sunday Parish News

Pentecost Reflection

Birthdays deserve to be celebrated. They are occasions when we can be thankful for the gift of life, and for the love we have received. They provide the opportunity for families to get together and recall good memories from the past and also a chance to look to the future, aware of how far we have come. So it is with Pentecost. Today is the birthday of the church, a time for us to celebrate who we are and to rediscover what it means to be the people of God. Down through the centuries the Holy Spirit has guided the church, despite the weaknesses of its members, both clerical and lay. We have the witness of many generous and heroic people who

have been 'led by the Spirit' and whose lives have given eloquent testimony to the power of God at work in them. Today, then, let's take heart and invoke the Spirit of God that we may be filled with a joyful appreciation of who we are and what we have to give. This brings with it many challenges, since for many religious people their faith acts as a sort of security blanket, offering certainty and security.

However, the good news is not about how things were in the past but about the Spirit of God at work now and always.

Happy Birthday Church!

Easter Holy Water

Easter Holy Water is now available in the three churches of the Parish. I would ask that you bring your own container to fill.

Please observe social distance of two meters
and sanitize your hands before and after you fill the Holy Water.
I cannot stress enough the importance of this in these times of pandemic.

Humility is not thinking
less of yourself,
but thinking of yourself less
