**Prayer Before Exams**

**Father:** Be with me as I take this exam. Keep my mind alert and my memory sharp. Calm my nerves and help me concentrate. I know that you walk with me, guiding my path and inspiring my heart. I pray that I would feel you with me, and that your friendship would soften the pressure I feel. I pray that I would pass this exam and go on to new things with you. Thank you for your peace and your love in my life. Thank you for your kindness and care for me. Amen.

**A Prayer for Workers**

*During this time of the Coronavirus COVID-19*

Loving God,  
we place into your care all our doctors, nurses and healthcare workers. And all who work in frontline services

Give them courage of heart and strength of mind and body. Keep them safe from harm. May they know our deep gratitude for all they are doing to heal and help at this time.

God of all consolation may they know your protection and peace. Bless them in these challenging days and bless their families. Amen.

**SERENITY**

**Serenity Prayer**

*God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference.*

*Living one day at a time; enjoying one moment at a time; accepting hardships as the pathway to peace; taking, as He did, this sinful world as it is, not as I would have it; trusting that He will make all things right if I surrender to His Will; that I may be reasonably happy in this life and supremely happy with Him forever in the next. Amen.*
